

BOWL SHOW

by Brian Farrell

Members may bring 4 entries in any combination. A member could show 4 female entries, or 4 tank entries or 4 open male entries or any combination that adds up to 4. For example a member could show 3 females and 1 tank entry or 2 open male and 2 tank entries. Variegated will remain a separate competition, no more than 2 single male entries and the points will remain separate.

Continuing in 2016-2017 we will have a separate class for **NON-SOLID MALES**. Each member can bring in addition to their normal Bowl Show entries,

two single males for this new non-solid class. There will be no tank entries allowed. Swordtail fish will also be allowed in this non-solid class. The bowls will be marked with a small sticker (which the club will supply) with a "V" on it.

The points gained in this separate class will be kept and accumulated until this year's Bowl Show Year is over and the member with the most points from this class will receive a small plaque indicating that they were the champion. **The points received from this class will not be added to the**

accumulated points for the Male Championship, the Overall Championship or to the Novice or Junior Championship.
